Current job: Freelancer Animator

Objective

Animator with 2 years experience providing 3D animation graphics and renderings is interested in becoming the new 3D Animator for TriOx Media Animator's film and special effects department. Likewise, I have experience on the business-side with my freelance company, Green Screen. Therefore, I have a great perspective to create based on the needs of the client. My experience and technical skills are complemented by my key attributes: patience, dedication, and commitment.

Strengths

- Bachelor's degree – Bachelor Degree in Animation
- Certification Courses – Interactive Animation and Film Animation
- 2 years experience in the capacity of a private employee
- Proficient in design software – Dreamweaver, Creative Suite, Studio Max, and Maya.
- Started out as a traditional artist specializing in charcoal and watercolor.
- Patient
- Detail-oriented
- Client-engaged
